Description

This villa was built in 2005 on a large flat lot with great views down the valley, in a quiet location a few kms from Albox, the last few hundred metres on a rustic road. Outside there is a 42m garage, an 8x4m pool which does require some attention, a roof terrace and other terraced areas for improvement. The property is walled and gated. Inside there is a large lounge with a separate dining area which leads to the kitchen. Behind there is a summer room with access to the rear garden. The property would benefit from some refurbishment but is sound. It does have an AFO.
